

Lakefront SC Indoor Covid Policy

Lakefront Soccer Club fully complies with the recommended and mandated guidelines from the CDC, State, and Local Health Departments; at this time, NYS is mandating that masks are required indoors and CDC guidance is to be followed: to maximize protection from the Delta and Omicron Variant and prevent possibly spreading it to others, wear a mask indoors in public if you are in an area of substantial or high transmission.

At this time, all participants/spectators/coaches will be required to wear facial coverings at all times while indoors. Masks may be removed for water/food but will need to be replaced as soon as consumed. We ask that one member of the household accompany the participant into the building **ONLY** if needed to help reduce the risk of exposure.
