

Lakefront SC Indoor Covid Policy

Lakefront Soccer Club fully complies with the recommended and mandated guidelines from the CDC, State, and Local Health Departments; at this time, NYS is no longer mandating that masks are required indoors and CDC guidance is to be followed: to maximize protection and prevent possibly spreading it to others, we recommend wearing a mask indoors in public if you are in an area of substantial or high transmission. We ask that no more than two spectators accompany the participant into the building ONLY if needed to help reduce the risk of exposure.
