

Manage My Demosphere Profile

If you need to update your Demosphere profile and/or photo outside of the normal registration process, please follow these steps:

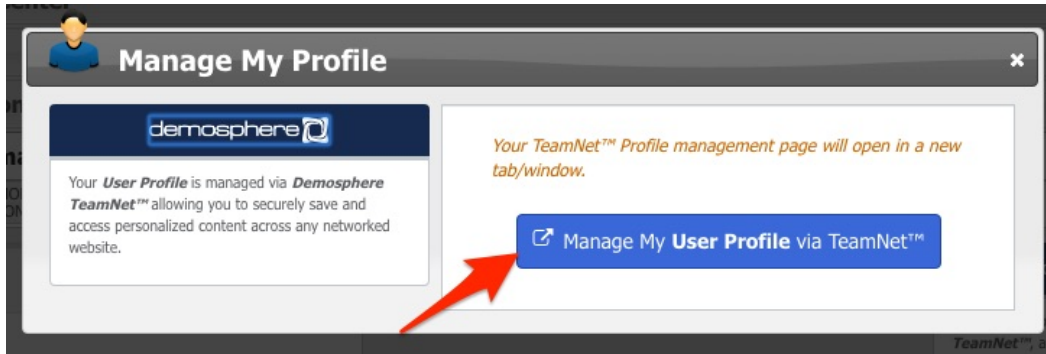

1. Login to your account/dashboard with Lakefront SC https://lakefrontsc.demosphere-secure.com/login?to=https%3A%2F%2Flakefrontsc.demosphere-secure.com%2F_dashboard (click the forgot password link if needed):

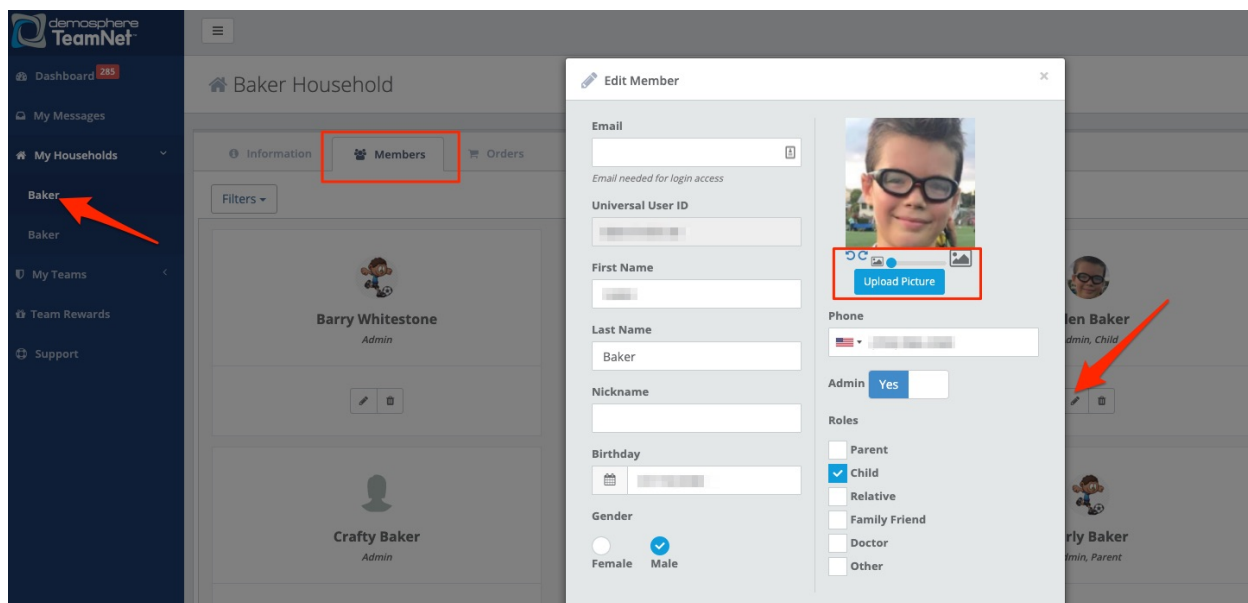

2. Click the blue Manage Profile button

- This will navigate the user to TeamNet, which is the Demosphere application where households and members are managed.

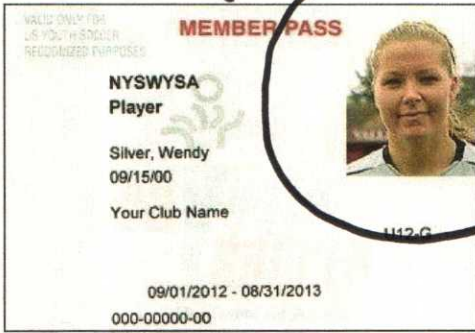

- If you need to add/update info or a photo for a family member, click on your Household Name, then the Members tab and edit the member's profile to update their photo/info.
